

## 8 hour, Private “Away from the crowds” Car Tour

### **AUTHENTIC “FRIESLAND”:** “Villages & Farms”

No hurry, no worries; discover an authentic province, with its own language & culture  
Lonely Planet worldwide listed Friesland in 2018 as number 3 place to visit!

This tour takes you to a special part of the Netherlands, called Friesland. The Frisians try to keep their landscape, language, culture and typical sports as authentic as possible.  
To reach Friesland we will pass the 33 km long “Closure Dam” a monument of Dutch waterworks.  
This dam separates Unesco World Heritage listed “Waddensea” and the fresh water lake “IJsselmeer”.  
On the Dam we will visit the Wadden Center, explaining about the Dam and this special shallow sea.

Driving through Friesland we will visit three historic small towns: Bolsward, Hindeloopen and Sloten.  
In Friesland you see the typical farms, with black & white Frisian Holstein cows and the majestic Frisian horses. We will drive on small country roads and even on a dike (=dam) along the IJsselmeer.  
On our way back we drive to the new reclaimed land: the IJsselmeerpolders, 6 meters below sea level.
